Rob – You are correct, it should be Oct. 8, not Oct. 1.

Thanks,

Gary

Should the date be Oct 8 for the transmittal, not Oct 1? I am looking at the letter dated 10/8/13 from Paul Novak to Kevin Pierard.

Janet - I took the draft General Objection letter you prepared in September and modified it to develop a General Objection letter for the October proposed permit. It is attached. I'm going to start drafting the specific objection letter and hope to have a working draft I can send to you, Rob and Krista sometime next week. I know we have plenty of time on the specific objection, but think it will be useful to have a working draft to help focus our thinking and efforts.

Thanks,

Gary
